We summarised our meeting on Thursday 27th October 2011, when we discussed previous Sherwood Art Weeks. What has worked well, areas for improvement, what people liked etc. as well as considering the results from our recent survey.

It was agreed that Sherwood Art Week is a positive event in our community that we would all like to continue in 2012. The following format was proposed:

Sherwood Festival - Art Marquee - Saturday 16th June

Sherwood Art Week starts - Exhibitions: various venues around

Sherwood - Friday 22nd - Sunday 24th June

Craft Fair - Saturday 30th June

Community Art

Workshops

Art in the Shops

Taking place throughout

At the previous meeting it was proposed that a core organising group is needed with sub groups for the different aspects of SAW2012 (with at least one member of each sub group being in the core group).

We looked at the comments and ideas for the different aspects of Sherwood Art Week. People were asked to add to these boards, consider the outline tasks for each group and sign up to take part in the sub groups.

The individual groups were asked to organise to meet up and then report back to the core group.

We need more people to come forward to join the sub groups and core group. Please get in touch at interest@sherwoodartweek.co.uk if you can help.
